## **INTRODUCTION**

The statutory pay arrangements for teachers give significant discretion to “relevant bodies” normally Governing Bodies, but Local Authorities in some instances to make pay decisions. The School Teachers’ Pay and Conditions Document (hereafter called the Document) places a statutory duty on schools and Local Authorities to have a pay policy in place, which sets out the basis on which they determine teachers’ pay and to establish procedures for determining appeals. This should ensure fair and equitable treatment for all teachers and minimise the prospect of disputes and legal challenge of pay decisions.

Schools and Local Authorities, when taking pay decisions, must have regard both to their pay policy and to the teacher’s particular post within the staffing structure. A copy of the staffing structure should be made available with the pay policy.

The pay policy should comply with the current School Teachers’ Pay and Conditions Document and the accompanying statutory guidance. It should be used in conjunction with these documents, but, in the event of any inadvertent contradictions, the Document and its statutory guidance take precedence.

# **NEWHAM SCHOOLS PAY POLICY**

## **1. PRINCIPLES AND PROCESSES**

### **1.1 Background**

All teachers employed at the school are paid in accordance with the statutory provisions of the School Teachers' Pay and Conditions Document as annually updated by the DfE. Support staff are paid in accordance with the Local Government Conditions of Service as agreed by London Borough of Newham.

All pay-related decisions are made taking full account of the school improvement plan; staff and unions have been consulted on this policy.

### **1.2 Equalities**

All pay related decisions are taken in line with the Equalities Act 2010. The Act provides a single legal framework to more effectively tackle disadvantage and discrimination with regard to the protected characteristics as follows: Age, Disability, Gender Reassignment, Marriage and Civil Partnership, Pregnancy and Maternity, Race – including ethnic or national origin, colour or nationality, Religion or Belief – including lack of belief, Sex, and Sexual Orientation.

The Governing Board will comply with other relevant equalities legislation:

- Employment Relations Act 1999
- The Part-time Workers (Prevention of Less Favourable Treatment) Regulations 2000
- The Fixed-term Employees (Prevention of Less Favourable Treatment) Regulations 2002
- The Agency Workers Regulations 2010
- The Equality Act 2010

The Governing Board will promote equality in all aspects of school life, particularly as regards all decisions on advertising of posts, appointing, promoting, and paying staff, training, and staff development.

The Governing Board will ensure that its processes are open, transparent and fair. All decisions will be objectively justified. Adjustments will be made to take account of special circumstances, e.g. for absences related to maternity or long-term sick leave. The exact adjustments will be made on a case-by-case basis, depending on the individual teacher's circumstances and the school's circumstances.

### **1.3 Pay Reviews**

The Governing Board will ensure that every teacher's salary is reviewed with effect from 1 September and by no later than 31 October each year and ensure that they are given a written statement setting out their salary and any other financial benefits to which they are entitled. Reviews may take place at other times of the year to reflect any changes in circumstances or job description that lead to a change in the basis for calculating an individual's pay. A written statement will be given after any review and where applicable will give information about the basis on which it was made.

Where a pay determination leads or may lead to the start of a period of safeguarding, the Governing Board will give the required notification as soon as possible and no later than one month after the date of the determination.

The school is committed to increase all existing pay points and allowances for all teachers set out on Appendix 2 by the statutory annual increase in minimum values and will continue this principle in future years.

### **1.4 Decision Making**

The terms of reference for the relevant governors' committees include the following delegated powers:

- a) To agree the staffing structure (in consultation with the relevant committee where there are financial costs) and decide any changes to ranges or additional allowances in individual cases.
- b) To decide other payments to staff outside the scope of this policy.
- c) To decide the Head Teacher's pay range if above the relevant school range set out in Appendix 3.
- d) To review in consultation with union representatives and decide changes to this policy.

NB Head Teacher's annual performance pay progression is decided by the appraisal review committee.

Individual decisions about progression on a pay range, including movements through the threshold to the Upper Pay Spine are made by the Head Teacher, taking account of any recommendations made through the appraisal policy.

The exception to this is that awarding more than one increment to an Assistant or Deputy Head Teacher will be made by the Head Teacher's appraisal review committee, following a recommendation by the Head teacher.

### **1.5 Appeals**

A teacher may appeal against any recommendation or determination in relation to his/her pay or any other decision taken by the Headteacher (or committee) that affects his/her pay. The teacher's reasons for the appeal should be in accordance with the following list:

That the person or committee by whom the decision was made:

- a) incorrectly applied any provision of the Document;
- b) failed to have proper regard for statutory guidance;
- c) failed to take proper account of relevant evidence;
- d) took account of irrelevant or inaccurate evidence;
- e) was biased; or
- f) otherwise unlawfully discriminated against the teacher

The arrangements for considering appeals are set out in Appendix 1. This procedure for considering pay appeals applies instead of the Grievance Procedure.

### **1.6 Monitoring and Review**

The implementation of this policy will be monitored and will be reviewed on an annual basis. A report will be submitted to the Governing Board on the operation of the policy, including an assessment of its equalities impact, in a suitably anonymised form; a copy of this report will be provided to staff and their unions on request.

Staff and their trade union representatives will be consulted as part of the review.

## **2. USE OF DISCRETION IN BASIC PAY DETERMINATION**

### **2.1 Early Career Teachers**

Appendix 2 sets out the main range values as 6 main points. One main point is awarded for each complete 3 years of relevant paid work experience prior to gaining Qualified Teacher Status (QTS) in a relevant area after the age of 18, up to a maximum award of 2 main points. Part time experience will be equated to the full-time equivalent. The definition of relevance is that the experience is as broadly relevant to the teaching duties required. It would therefore include:

- Experience of working with children, e.g. nursery nurse, social worker.
- Industrial/commercial experience using subject specialism, e.g. scientist, book editor, commercial artist.

Teachers will be required to supply evidence that clearly supports their claim, e.g., references, reports, testimonials, job description.

For a teacher who has previously been employed on the unqualified scale, teaching experience prior to gaining QTS will be assessed so far as it is necessary, in order that the qualified teacher receives a higher salary than their unqualified pay.

For teachers embarking on the new 2-year induction programme, from September 2021, there will be no adverse impact on their pay or career progression opportunities. Early career teachers will still be able to progress on the pay scale as current arrangements allow, both during and after induction.

### **2.2 Experienced Teachers**

The school is committed to the principle of pay portability and will apply this principle in practice when making

all new appointments to the school.

The school will not restrict the pay available for appointees to vacant classroom teacher posts, other than the lower limit of the Main Pay Spine and the upper limit of the Upper Pay Spine.

### **2.3 Part-time Teachers**

The calculation of the pay of part time teachers is based on the number of aggregate hours the teacher is employed to work within the capacity of the school's timetabled teaching week. Details of the calculation method are set out in the Document.

### **2.4 Short Notice/Supply Teachers**

Teachers who work on a day-to-day or other short notice basis have their pay determined in line with the statutory pay arrangements in the same way as other teachers. Teachers paid on a daily basis will have their salary assessed as an annual amount, divided by 195 and multiplied by the number of days worked.

Teachers who work less than a full day will be hourly paid and will also have their salary calculated as an annual amount which will then be divided by 195 then divided again by 6.48 (1265/195) to arrive at the hourly rate. The agreed directed time, per day including non-contact time will be paid.

### **2.5 Unqualified Teachers**

Unqualified teachers will start on the minimum of the unqualified pay range unless the Head Teacher judges that a higher point is required due to previous experience as set out in 2.1 above.

Overseas trained teachers (OTTs) who are judged by the Headteacher to already be meeting the QTS standards and therefore commence the "assessment only" route for QTS will be offered a contract with pay equal to that of a QTS teacher. Previous teaching experience in the UK and abroad may be assessed and up to a one pay point for each full year of teaching service may be given.

### **2.6 Schools Direct (salaried) Teachers, including Overseas Trained Teachers and Teach First**

This section applies to teachers who are on a Teaching Agency recognised route which is intended to lead to QTS.

School Direct (salaried) teachers (whether OTTs or not) and Teach First teachers who do not meet the QTS standards and therefore commence the full graduate training programmes will be paid as unqualified teachers as set out above.

### **2.7 Leading Practitioners**

Leading Practitioners are posts which have the primary purpose of modelling and leading improvement of teaching skills. The Document sets out minimum and maximum points for Leading Practitioners. The Governing Board has agreed to use a range of five points from the spine set out in Appendix 2 to reflect the responsibilities of the particular post. New appointments will be made at the minimum of the selected range.

### **2.8 Headteachers**

#### **2.8.1 Introduction**

The Document sets out a minimum and maximum value of the Leadership Spine. The responsibility for fixing the salary range rests with the relevant board, as delegated to a committee. The salary range on which a Head Teacher is paid is derived from the two steps, as set out in the next three paragraphs below.

#### **2.8.2 Headteacher's Group Range**

Under the Document, schools are allocated to one of eight Groups depending on:

- the number of pupils, and
- the key stage of pupils

Under The relevant board has discretion to take into account the number of pupils at the school with SEN statements. In Newham, the relevant board has decided to exercise this discretion so that Education and Health Care Plan (and those in resource provision or exceptional resource funding) are additionally taken into

account in the group size calculation.

The group size calculation of the school will be checked annually by the Local Authority, using the January pupil numbers and any increase in group size advised to the Chair of Governors. If the Headteacher is currently on a salary point lower than the Individual Headteacher Range of the new group, he or she will progress to the new minimum point on the following 1<sup>st</sup> September. The Headteacher has a right to make representations to the relevant board about the Headteacher group at any time. The Governing Board of a non-delegated school also has such a right.

Where a Headteacher becomes an Executive Headteacher and is permanently accountable for more than one school, the Headteacher's Group Range will be based on the calculation of the total number of pupil units across all schools, as required by paragraphs 6.6 & 7.9 of the Document 2019.

A minimum and maximum pay value is specified for each Headteacher Group.

### **2.8.3 Individual Headteacher Range**

Within this Headteacher Group Range, the relevant board will select seven points to form the Individual Headteacher Pay Range. The Individual Headteacher Range will take account of the context and challenge arising from pupils' needs, the full responsibilities of the post, including any responsibility for more than one school on a permanent basis. It will also take account of any additional responsibility for extended services, including Children's Centres, and the challenge of recruitment and retention, as required by the Document.

The Governing Board has agreed to adopt the Individual Headteacher pay range structure set out in Appendix 3.

### **2.8.1 Exceptional Circumstances - Pay Range Enhancement (Appendix 3b)**

Whilst pay for the Headteacher should not normally exceed the maximum of the Headteacher Group Range, the Governing Board may exceed the maximum where they determine that circumstances specific to the role or post holder warrant higher than normal pay. The Governing Board will ensure that the maximum of the actual pay including any additional payments does not exceed the maximum of the relevant Headteacher Group Range by more than 25% unless in wholly exceptional circumstances (see appendix 7). Any temporary payments referred to in 4.11 also fall within the 25% limit.

Where there are considered to be exceptional circumstances that might warrant the Headteacher being paid 25% or more above their Group Range, the Governing Board will seek external independent advice before making this decision. A clear business case, as required by the Document, will also be presented to the Governing Board.

The Governing Board has adopted the Individual Headteacher Pay Ranges set out in Appendices 3 and 3a. These ranges take account of all pay determination factors and an appropriate pay range will be decided by the relevant governor committee. No additional and/or separate payments will be made and the 25% rule as set out above and in the Document, continue to apply.

## **2.9 Deputy Headteacher Range**

2.9.1 A range of five points will be chosen from the Leadership Spine. The Governing Board has adopted the structure of Deputy Headteacher Pay Ranges set out in Appendix 3 which complies with the statutory requirements set out in the Document. Any change will be agreed by the relevant governor committee.

2.9.2 The Governing Board has adopted the Deputy Headteacher Pay ranges set out in Appendices 3 and 3a. These ranges take account of all pay determination factors and will be decided by the relevant governor committee. No separate and/or additional payments will be made. The pay range set for the Deputy Headteacher/s will not overlap with the Headteacher's individual pay range.

## **2.10 Assistant Headteacher Range**

A range of five points will be chosen from the Leadership Spine set out in Appendix 3. The Governing Board has decided that it will assess what range to apply on an individual basis, ensuring the maximum of the Assistant Headteacher range/s will be less than the maximum of the Deputy Headteacher range/s and that other requirements in the Document are met. Any changes will be agreed by the relevant governor

committee. No separate and/or additional payments will be made.

### **2.11 Leadership Spine - Starting Salary on Appointment**

The relevant board has decided that any new appointment of Headteacher, Deputy or Assistant Headteacher will be made at the minimum of the range, unless either:

- it is necessary to match the salary of an existing teacher: or
- the post is difficult to fill;

In which case, appointment may be made up to the fourth point for a Headteacher and up to the third point for a Deputy or Assistant Headteacher.

## **3 MOVEMENT UP THE PAY RANGES**

The Governing Board agrees that the school budget will ensure that appropriate funding is allocated for appropriate pay progression at all levels. The Governing Board recognises that funding or the lack of it cannot be used as a criterion to determine any progression.

Progression will be from 1<sup>st</sup> September of each year and the decision based on the outcome of teacher's annual appraisal review. As these reviews usually take place in the autumn term, any pay progression awarded will be backdated to 1<sup>st</sup> September. All reviews for teachers will be undertaken by 31<sup>st</sup> October and for the Head Teacher by 31<sup>st</sup> December. Pay progression will only be considered for those teachers on the leadership spine who were in post throughout the previous two terms.

The performance review process must be followed for all Headteachers, even those who are already at the top of their range and therefore will not be considered for a performance increment.

There would need to be a transition period for teachers who are currently on half points. They would either progress to 1.5 points or 1 point, given their personal circumstances (e.g. if they have been held back they can progress to 1.5 points and if they are already on 1.5 points, they will progress by 1 point).

### **3.1 Main Pay Range Teachers**

Teachers will be awarded pay progression on the Main Pay Range following a successful annual appraisal review which will encompass a review against their objectives and against the Teachers' Standards.

Reviews will be deemed to be successful unless significant concerns about standards of performance have been raised in writing with the teacher during the annual appraisal cycle and have not been sufficiently addressed through support provided by the school and recorded in the appraisal statement by the conclusion of that process.

Pay progression will be from 1<sup>st</sup> September for the review of the previous year's performance, regardless of when the review is actually carried out.

### **3.2 Threshold Assessment**

The Document states as follows:

"An application from a qualified teacher will be successful where the relevant board is satisfied:

- a) that the teacher is highly competent in all elements of the standards; and
- b) that the teacher's achievements and contribution to the school are substantial and sustained."

Applications will need to be made to the appraiser in writing by the date of the teacher's individual review meeting for progression on the previous 1<sup>st</sup> September (assuming the review meeting takes place in the autumn term).

Teachers who apply to move to the Upper Pay Range will be awarded progression to that range having regard to the two most recent appraisal reviews, provided that these demonstrate a) and b) above.

Reviews will be deemed to be successful if the teacher has been assessed as fully meeting their objectives and Teachers' Standards.

Teachers may be asked if they wish to draw any information to the Headteacher's attention but will not be

required to submit evidence with their application. The decision on progression will be taken by the Headteacher after consideration of the evidence and consultation with other relevant school managers. The decision will be advised to the teacher in writing.

### **3.3 Upper Pay Range Teachers (Post Threshold Teachers)**

Upper Pay Range teachers will be awarded pay progression along the Upper Pay Range following a successful annual appraisal review provided that the review demonstrates the teacher has met their objectives, Teachers' Standards and continued to meet a) and b) above. Reviews will be deemed to be successful unless significant concerns about standards of performance have been raised in writing with the teacher during the annual appraisal cycle and have not been sufficiently addressed through support provided by the school and recorded in the appraisal statement by the conclusion of that process.

#### **To support your Threshold application(s):**

You will need to include information that demonstrates that:

- a) you are highly competent in all elements of the Teachers Standards
- b) your achievements and contribution to the school are substantial and sustained

Guidance grids support the process of i) UPS1 application and ii) application through UPS2 and UPS3, ensuring that successes can be shared and celebrated effectively. Applications need to be submitted to the Executive Headteacher so that they can be reviewed and a professional dialogue can be held.

### **3.4 Leading Practitioners**

Leading Practitioners must demonstrate sustained high quality of performance in the light of their agreed performance criteria and will be subject to a review of performance before any performance progression point will be awarded. Any work undertaken at other schools, in higher education facilities, or at facilities of the Local Authority and elsewhere will be taken into account.

### **3.5 Headteacher, Deputy Headteachers and Assistant Headteachers**

The Headteacher must demonstrate sustained high quality of performance, with particular regard to leadership, management and pupil progress at the school. The results of the most recent appraisal must also be taken into account. The Headteacher is expected to have fully met their objectives and to continue to meet the relevant Teachers' Standards.

The committee who carry out the Headteacher's performance review will consider whether the Headteacher's performance meets the criteria set out above. If it does, the Headteacher should progress to the next point within their approved pay range.

Deputy Headteachers and Assistant Headteachers must also demonstrate sustained high quality of performance with particular regard to leadership, management and pupil progress. The results of the most recent appraisal must also be taken into account. The Deputy and Assistant Headteacher are expected to have fully met their objectives and continue to meet the relevant Teachers' Standards.

The normal expectation is one increment; the use of a second increment should apply in cases where performance is judged to be exceptional or exceeding performance objectives. In order to ensure consistency of approach, where a second increment is recommended, these recommendations will be decided by the governors committee who determine the Head Teacher's incremental position. Therefore, the Headteacher will put any recommendations for a second increment for Deputy and Assistant Headteachers, to this committee. Any such consideration will take place at the same time as the consideration of the Headteacher's pay progression.

As the review usually takes place in the autumn term, any pay progression will be backdated to 1<sup>st</sup> September. Headteachers, Deputy and Assistant Headteachers cannot receive pay progression without the review-taking place. Therefore, pay progression will only be considered for school leaders who were in post the previous two terms.

### **3.6 Unqualified Teachers**

Unqualified teachers will be awarded pay progression on the Unqualified Pay Range following a successful annual appraisal review which will encompass a review against their objectives and against the Teachers'

Standards. Successful interviews will be judged as one of the following:

Reviews will be deemed to be successful unless significant concerns about standards of performance have been raised in writing with the teacher during the annual appraisal cycle and have not been sufficiently addressed through support provided by the school and recorded in the appraisal statement by the conclusion of that process.

## **4 DISCRETIONARY/TEMPORARY ALLOWANCES AND PAYMENTS**

### **4.1 Teaching and Learning Responsibility Payments (TLRs)**

In accordance with section 3, paragraph 48 of the statutory guidance in the 2020 STPCD, teachers will not be required to undertake permanent additional responsibilities without payment of an appropriate permanent TLR1 or TLR2 payment.

TLR payments will be awarded to the holders of the posts indicated in the school's staffing structure and in accordance with the criteria set out in the Document, as follows:

- TLR1 or TLR2 payments may be awarded to a teacher on the Main or Upper Pay Ranges for undertaking a sustained additional responsibility which is required by the school for the purpose of ensuring the continued delivery of high-quality teaching and learning. The teacher will be made clearly accountable for this additional responsibility in the context of the school's staffing structure.
- A TLR3 payment will only be awarded for a clearly time limited school improvement project or for one-off externally driven responsibilities. The duration of the fixed term must be established at the outset and the payment made on a monthly basis for the duration of the fixed term.

With the exception of sub-paragraphs (c) and (e) which do not have to apply to the award of TLR3s, before awarding any TLR the relevant board must be satisfied that the teacher's duties include a significant responsibility and that is not required of all classroom teachers and that:

- a) is focused on teaching and learning;
- b) requires the exercise of a teacher's professional skills and judgement;
- c) requires the teacher to lead and develop a subject or curriculum area; or to lead pupil development across the curriculum;
- d) has an impact on the educational progress of pupils other than the teacher's assigned classes or groups of pupils; and
- e) involves leading, developing and enhancing the teaching practice of other staff

The level of TLR awarded will depend on the degree of significant responsibility, the workload involved and the time required.

The TLR level 1 can only be paid to teachers whose duties include a requirement of line management responsibility for a significant number of people.

The Governing Board has agreed the structure and annual values of the TLRs to be awarded are set out in Appendix 2.

The values within the TLR Structure set out in Appendix 2 will increase in line with any annual pay award for inflation purposes and will be included in the annual salary assessment letter.

Although a teacher cannot hold a TLR1 and a TLR2 concurrently, a teacher in receipt of either a TLR1 or a TLR2 may also hold a concurrent TLR3.

TLR payments cannot be awarded to those teachers paid on the Unqualified or the Leadership spine.

Schools should avoid confusing and conflating the criteria and factors for the award of TLR payments with the criteria for movement to the Upper Pay range within the context of objective setting and when making the pay decisions.

### **4.2 Special Educational Needs Allowance**

The relevant board must award a Special Needs Allowance to a classroom teacher:

- a) in any SEN post that requires a mandatory SEN qualification;
- b) in a special school;
- c) who teaches pupils in one or more designated special classes or units in a school or, in the case of an unattached teacher, in a local authority unit or service;
- d) in any non-designated setting (including any PRU) that is analogous to a designated special class or unit, where the post:
  - i) involves a substantial element of working directly with children with special educational needs;
  - ii) requires the exercise of a teacher's professional skills and judgement in the teaching of children with special educational needs; and
  - iii) has a greater level of involvement in the teaching of children with special educational needs than is the normal requirement of teachers throughout the school or unit within the school or, in the case of an unattached teacher, the unit or service.

Where a SEN allowance is to be paid, the relevant board must determine the spot value of the allowance, taking into account the structure of the school's SEN provision and the following factors:

- a) whether any mandatory qualifications are required for the post;
- b) the qualifications or expertise of the teacher relevant to the post; and
- c) the relative demands of the post.

The Governing Board has decided that:

- a) "substantial element" means that more than 50% of the pupils have SEN;
- b) the higher allowance will only be awarded to a teacher who is in receipt of the lower allowance and who holds one of the recognised certificates for teaching pupils who are blind, deaf or autistic or other SEN aspect; and
- c) that the value of the two allowances is set out in Appendix 2.

Teachers paid on the Leadership spine cannot be paid a SEN Allowance.

## **4.3 Recruitment and Retention Payments**

### **4.3.1 General**

The Governing Board may pay recruitment or retention payments for a fixed period then to be formally reviewed.

These payments can be made where the Governing Board considers it to be necessary as an incentive for the recruitment of new teachers and the retention of existing teachers.

The Governing Board has agreed to adopt the five-level payment structure set out in Appendix 2. The value of these Payments will be updated by any annual pay (inflation) award.

### **4.3.2 Recruitment**

The Governing Board has decided to make these payments in the following circumstances to support the recruitment of:

- i) Early Career Teachers in their first or second year of induction who do not qualify for any relevant work experience points. They will receive Payment 1 as set out above, subject to this payment terminating at the same time as the teacher moves to the maximum of the Main Pay Range.
- ii) Where there is clear evidence that a proposed advertisement will not attract any suitable applicants, one of the above payments will be allocated.

### **4.3.3 Retention**

School specific provisions will apply as determined by the Governing Board.

### **4.3.4 Headteacher, Deputy Headteachers and Assistant Headteachers**

Other than in respect of housing or re-location expenses, the Headteacher, Deputy and Assistant Headteachers will not be entitled to a separate recruitment and retention payment. Remuneration in respect of any recruitment and retention payment will be reflected in the agreed pay ranges.

Where the Governing Board has agreed to pay a recruitment or retention award to a Headteacher, Deputy and

Assistant Headteachers, prior to 1<sup>st</sup> September 2014, this payment may continue at the same value as originally determined. No increase in the payment can be awarded and it must be kept under review. The payment should cease at the point the respective payment is determined under the provisions of the 2019 Document.

#### **4.4 Continuing Professional Development**

Payment may be made to teachers for CPD undertaken outside the school day. The relevant board has decided not to make such payments/authorise the Headteacher to make such payments in exceptional circumstances

The basis of payment will be an hourly sessional rate recommended by the Local Authority as set out on Appendix 2.

In accordance with the provisions of the Document, these payments cannot be paid to a Headteacher.

#### **4.5 Out of School Learning Activities**

Payments can be made to teachers, where the teacher has agreed to the Headteacher's request to participate, and they make a substantial and, where appropriate, regular commitment to such activity. Payments may be made:

- a) For work outside the 195 days, at the hourly sessional rate higher rate; and
- b) For work on one of the 195 days outside 1265 hours a session of at least 2 hours at least once a week at the lower rate, see Appendix 2.

The relevant board has decided *not to make such payments/to make such payments*, and these will be decided by the Headteacher.

In accordance with the provisions of the Document, these payments cannot be paid to a Headteacher.

#### **4.6 Provision of Initial Teacher Training (ITT)**

The Governing Board may decide to make an additional payment to teachers for activities relating to ITT and in accordance with provision of the Document, the appropriate level of payment will be determined by the Governing Board. In some circumstances and in accordance with paragraph 4.1, it may be appropriate to award a TLR 3 payment for these activities.

This allowance cannot be paid to Leading Practitioners or those teachers on the Leadership Spine.

#### **4.7 Additional Responsibilities in Relation to the Provision of Services Relating to the Raising of Educational Standards in One or More Additional Schools**

The Governing Board may make a payment to teachers in respect of the above additional responsibilities and activities in accordance with the Document and the local guidance set out Appendices 4 and 5.

#### **4.8 Unqualified Teachers' Allowance**

The Governing Board will pay an unqualified teachers' allowance to unqualified teachers when the Governing Board determines that in the context of its staffing structure and pay policy, the teacher has:

- a) Taken on sustained additional responsibility which is:
- b) focused on teaching and learning; and
- c) requires the exercise of a teacher's professional skills and judgment; or
- d) Qualifications or experience which bring added value to the role being undertaken

This will apply when in the absence of a suitably qualified and experienced teacher, the unqualified teacher is undertaking the responsibilities of a TLR and payment will be this TLR value.

#### **4.9 Acting up Allowances**

If a teacher agrees to undertake the full duties of a Headteacher, Deputy or Assistant Headteacher post, and performs these duties for a period in excess of four weeks, they will be paid an acting up allowance. The allowance will be determined by the Governing Board and the level of the allowance will be commensurate with the minimum level of salary for the post that the teacher is carrying out the duties for. The agreed

allowance will be paid from the date the teacher commenced the additional duties.

#### **4.10 Safeguarding**

All safeguarding arrangements will be in accordance with the provisions set out in the Document, S2 Part 5, paragraphs 30-37. The school will follow these provisions and ensure that teachers are correctly notified.

#### **4.11 Temporary and Discretionary Payments to Headteachers**

The Document permits Headteachers to be paid temporary and/or discretionary payments for the following reasons:

##### **4.11.1 Temporary Responsibility for One or More Schools**

In the above circumstances and in accordance with the relevant provisions of the Document, a Head Teacher may be paid a temporary allowance at an appropriate level to reflect these additional responsibilities and duties. The Governing Board will decide on the level of payment to be made taking account of the nature and level of responsibility required.

The total sum of this temporary payment, and any other payments made to the Headteachers, must not exceed 25% above the maximum of the Headteacher Group, unless in wholly exceptional circumstances where the provisions set out in paragraph 2.8.4 will apply.

##### **4.11.2 Service Provision**

A discretionary payment can be made where a Headteacher undertakes additional responsibilities/activities due to, or in respect of, the provision of services relating to the raising of educational standards to one or more additional schools. This is for situations when a Headteacher is working under a contract for services, rather than under a contract of employment, where they are personally responsible for the service being provided but not accountable for the outcomes of the school, e.g. as a National Leader of Education or Consultant Leader. Please also refer to Appendices 4 and 5 for further Guidance.

It cannot be used when the Headteacher is appointed as Head teacher of one or more additional schools on a temporary or permanent basis).

All discretionary and temporary payments will be determined and approved by the relevant governors committee.

##### **4.11.3 Recruitment and Retention**

From 1<sup>st</sup> September 2014 Payment to Headteachers can only be made in relation to housing and relocation expenses. Please also refer to paragraph 4.3.4.

## **5. Support Staff**

### **5.1 Conditions of Service**

The pay and conditions of service for support staff employed are in accordance with the National Joint Council (NJC) for Local Government Services and those agreed locally by the Local Authority.

### **5.2 Pay Scales**

The pay scales adopted by the Governing Board for support staff employed in this school are those currently used by the London Borough of Newham. A copy is attached as Appendix 8.

The Governing Board has determined the grade and salary range for all support staff posts using the agreed job evaluation scheme, i.e. The Greater London Provincial Scheme (GLPC). This service is administered through the Schools HR Service. Appendix 7 sets out a list of sample grades as at September 2023.

### **5.3 Job Descriptions**

All members of the support staff will receive a copy of their job description, which will be the basis of any job evaluation for the post. Any significant changes to job profiles may require a re-evaluation of the post. Where the Governing Board, on the advice of the Headteacher, considers that the duties and responsibilities of an individual member of support staff have evolved to a higher (or lower) level, this will be considered as part of an annual review process. It may, if necessary, result in the staffing structure and job description

being amended and the salary of the post re-evaluated. The member of staff may also request a re-evaluation where they can demonstrate that a significant change to duties and responsibilities has occurred.

## **5.4 Starting Salaries**

The Governing Board will normally appoint to the minimum pay point of the evaluated grade. This is unless the individual member of staff was previously paid under the same conditions of service at a higher point in the pay range, in which case the salary offered on appointment may be equivalent to the previous salary, but not exceeding the maximum of the evaluated grade. In exceptional circumstances, the governors may also consider appointing above the minimum of the grade where previous experience and/ or qualifications or previous salary justify doing so, within the overall grade of the post.

## **5.5 Incremental Progression**

Support staff will, subject to satisfactory performance, progress by annual increments to the maximum of the scale for the post. In exceptional circumstances, incremental progression may be withheld where the performance of the member of staff is poor/below standard or if attendance or conduct record justifies such action.

In addition, eligible support staff, subject to satisfactory service, may qualify for an additional increment after 5 years' service and one further additional increment after the 10 years' service in the same grade.

Incremental progression will be to the equivalent of the first and second increment points of the next grade. To qualify staff must be on a grade no higher than P07 and have reached the maximum incremental point of their grade. The staff member must also not have benefited by promotion or regrading during the 5 or 10 years.

Subject to the above, incremental progression, will normally take place on 1st April each year, except where a member of staff starts after 1<sup>st</sup> October in the previous year in which case incremental progression will occur at the start of the month following completion of 6 months service and then on 1<sup>st</sup> April in subsequent years.

## **5.1 Acting up Allowances/Additional Responsibilities**

Where a member of staff covers the full range of duties of a higher graded post, the Governing Board will pay that member of staff on the appropriate point on the higher scale (normally the minimum) for the period of acting up.

Where a member of staff is covering some, but not all of the duties of the higher graded post, the governors will consider an honorarium payment, calculated on the difference in salary between the substantive and higher graded post and taking account of the proportion of higher graded work undertaken.

Where a member of staff is required to meet a short-term excessive workload, to undertake essential tasks within a defined timescale, the Headteacher may give prior approval to the member of staff to work additional hours. This will be paid at their normal hourly rate or be paid at agreed overtime rates where the weekly hours worked exceed the standard hours (36 hours per week) for a relevant full-time member of support staff. Time off in lieu may also be authorised by the Headteacher as an alternative to being paid overtime.

## **5.2 Other Additional Payments**

The Governing Board will consider other additional payments for support staff in accordance with the arrangements set out earlier in this document for teaching staff, where these are relevant and appropriate to support staff.

## **5.3 Safeguarding**

The arrangements for the safeguarding of salaries for support staff is in accordance with the current policy of the London Borough of Newham. The current safeguarding period is for a maximum period of 12 months (6 months at full pay and 6 months at half of the difference between the pay of the previous role and the new role).

## **5.4 Appeals**

The arrangements for support staff wishing to appeal pay decisions are as outlined for teaching staff, but subject to the relevant conditions of service for support staff. The procedure outlined in Appendix 1 will be followed.

## **Appendix 1: PAY APPEAL ARRANGEMENTS**

The order of appeal arrangements is as follows:

### **Informal Appeal Process**

1. The employee receives written confirmation of the pay recommendation and the basis on which the decision was made.
2. If the employee is not satisfied, he/she should seek to resolve this by discussing the matter informally with the Headteacher (or the person making the recommendation) within 10 working days of the decision.
3. Where this is not possible or where the employee continues to be dissatisfied, he/she may follow a formal appeal process.

### **Formal Appeal Process**

1. The employee should set down in writing the grounds for questioning the pay decision. It must be sent to the Headteacher within 10 working days of the notification of the decision being appealed against or of the outcome of the discussion referred to in 2 above.
2. The Headteacher should provide a meeting with himself/herself within 20 working days of receipt of the written grounds for questioning the pay decision to consider this and give the employee an opportunity to make representations in person. The employee is entitled to be accompanied by a trade union representative or work colleague. Following this meeting the employee should be informed in writing of the decision and the right to appeal to governors.
3. The employee should write to the Headteacher stating their wish to appeal to governors within 5 days of receiving the Head Teacher's letter set out in paragraph 5.
4. Any appeal should be heard by a panel of three governors who were not involved in the Original determination normally within 20 working days of the receipt of the written appeal notification. 5 working days' notice should be given of the appeal date. Both parties should submit written evidence. The Headteacher's evidence will explain the basis of the decision and the employee's evidence will set out the basis for the appeal. Witnesses will not be called unless agreed by both parties in exceptional circumstances. Copies of the evidence must be available to all parties at least 3 working days prior to the Committee meeting.
5. The procedure for the appeal hearing is set out below.

### **Formal Pay Appeal Hearing Procedure**

1. The Committee should elect a Chair for the meeting.
2. The Chair to call in all parties.
3. The Chair to explain procedure.
4. Chair to establish that all parties and Governors have the written evidence that was submitted beforehand.
5. The Headteacher to present their case, based on the written evidence.
6. At the conclusion of the presentation of their case, the Headteacher to be questioned (in order) by:
  - employee (or representative)
  - Governors
7. Employee (or representative) to present their case, based on the written evidence.
8. At the conclusion of the presentation of their case, the employee should be questioned (in order by):
  - Headteacher (or other respondent)
  - Governors
9. The Headteacher has the opportunity to summarise their case and respond to evidence raised without introducing any new evidence.
10. The employee has the opportunity to summarise their case and respond to evidence raised without introducing any new evidence.
11. Both parties will withdraw for the Governors to consider the case. A written decision with reasons will be issued within 5 working days of the appeal hearing. Where the appeal is rejected, it will include a note of the evidence considered and the reasons for the decision.
12. For centrally employed teachers, the formal appeal will be to the relevant second tier officer of the Local Authority.

- \* These scale points represent the statutory maximum for each of the 8 Headteacher Group Ranges and a 2.75% uplift has been applied to all Leadership points for 2020/21
- \* The "a" pay points are to be applied to Headteachers who are already at the top of their Headteacher Group Range (and their agreed individual pay range) and cannot progress any further. It will also apply to those Headteachers progressing the top of their Headteacher Group Range (and their agreed individual pay range) from 1<sup>st</sup> September 2020.
- \* The "b" pay points were created in 2015/16 when no uplift was awarded to the maximum pay points of the 8 Headteacher Groups. This decision affected those Head Teachers on an individual pay range that extended beyond the statutory maximum of their Headteacher Group. The "b" point created an appropriate pay progression point on their extended pay range. "B" points should only be applied to those Headteachers on an extended range.

## **APPENDIX 4: GUIDANCE ON TEACHERS CARRYING OUT WORK IN A PROFESSIONAL CAPACITY OUTSIDE THEIR OWN SCHOOL**

This Newham specific guidance is based on national and other relevant Newham guidance, and is written in consultation with the teacher unions.

### **Context**

1. From time to time, teachers and Head Teachers are asked to undertake work outside their own institution for external bodies or other schools in a professional capacity (e.g. exam marking, acting as an SLE or NLE or being on full-time secondment to help to turn around a 'failing school')
2. Traditional practice in the case of teachers undertaking examination marking is generally that the teacher is paid directly for the work done (this should be in his / her own time and at home) and where they need to attend meetings in school time, for example moderation purposes, the school is reimbursed for the cost of any supply cover that may be needed.
3. In the case of NLEs and SLEs the school should receive the agreed payment and then pass on an agreed proportion to the teacher / head teacher for the part of the work that has been undertaken in their own time. With regard to Heads and other members of the leadership group, it is not easy to quantify 'own time', because their contracts are not time-limited. Therefore, it is important to agree at school level as to what constitutes a 'normal working time' and when it might be reasonable to make additional salary payments for activities of this kind. Any payment to the Head Teacher falls within the 25% discretionary payments limit.
4. The principles and procedures outlined below are not intended to cover:
  - a) the circumstances where teachers/Heads are seconded to other schools. Support of this nature is a major responsibility and should be remunerated appropriately within the provisions permitted in the Document; or
  - b) payments for duties specified in paragraph 26 of the Document 2015 (CPD, ITT and out-of-school hours payments) for which the relevant board may determine separate arrangements; or
  - c) the circumstances when schools, rather than individuals, agree to provide support to each other by way of sharing good practice etc.
  - d) the circumstances of teachers e.g. Leading Practitioners, whose job description requires them to work in other schools.

### **Principles for release of staff**

1. The following principles should apply for the release of staff:
  - a) Any absence from school for work of this kind should be authorised formally by a governors' committee in the case of the head and by the head in the case of other teachers. If the head puts a case to governors concerning them self, they should advise governors of any other cases so that governors can ensure equitable treatment of all staff. All submitted cases should address the factors in b) below.
  - b) When deciding whether to release teachers to undertake such work, the governors/head teacher should take into account:
    - the needs of the school and its pupils;
    - the benefits that the activity would bring to the school;
    - the impact of the absence on other staff, including their workload; and
    - the workload and work/life balance of the individual teacher
  - c) The Governors/Headteacher should monitor the operation of the arrangements and their impact on staff and pupils.
  - d) All approvals should be reviewed annually and if appropriate approved for a further year.
  - e) A robust performance management process should play an important role in identifying the appropriateness of such development opportunities
  - f) Any teacher who considers they are treated unfairly in the application of this procedure has the right of appeal through the grievance procedure.

### **Principles for Payment of Staff**

The following principles should apply regarding the payment to staff for external work:

- a) Arrangements for payment for external work should be clearly set out in a protocol by the Governing Board (or the finance committee) and decisions duly recorded. A model protocol and approval paperwork are attached at Appendix 4.
- b) The proportion of any payment for external services that should be paid to the teacher or Head and the

- proportion that should be paid to the school should be agreed in advance. The terms of such an agreement should be signed by the Chair of governors or Head and the teacher or Head as appropriate.
- c) Payment to the individual teacher or Head should be based on the proportion of the work, including preparation, done outside of normal working hours. A specific determination should be made for members of the leadership group and ASTs as their contractual hours are not time-limited to 195 days or 1265 hours.
  - d) Teachers and Heads should not be paid twice for the same time worked. If the external work takes place wholly in directed time, all of the payment received should be paid to the school.
  - e) Only if all of the work is carried out in time when the school is not in session, should the whole of the additional payment go to the individual.
  - f) Any payment to the Head teacher falls within the 25% limit of discretionary payments.
  - g) Any work for which the Head Teacher is directly paid should be recorded on his/her Declaration of Pecuniary Interest Form.

### **Administration**

Any such additional personal income should be paid to the teacher via Schools HR Payroll. Unless it is for a Head Teacher and is therefore a discretionary payment under 4.10 above, the payment is not superannuable as it falls outside the scope of the Document. Each payment should be requested by letter signed by an appropriate authorised person (the Chair of governors / Chair of committee in the case of the Head Teacher).

## **APPENDIX 5: PROTOCOL AGREED BY GOVERNING BOARD FOR TEACHERS CARRYING OUT WORK IN A PROFESSIONAL CAPACITY OUTSIDE OF THEIR OWN SCHOOL**

We recognise the value of staff sometimes carrying out work outside the school. Such work can develop the member of staff and indirectly benefit the school. However, the approval and organisation of such work needs to be arranged so that the arrangements are fair, transparent and the interests of the school and staff are properly taken into account. Therefore, we agree to follow the guidance produced by the Authority in consultation with the teachers unions.

### **Authority to approval applications will be delegated as follows:**

#### **Approval to do work only**

For Head teacher:	by Chair
For Leadership team:	by Headteacher
For other staff:	by Head or Senior Manager

#### **Approval to do work and receive payment**

For Head teacher:	by Chair plus relevant committee authorised to agree discretionary payments.
For Leadership team:	by Head and Chair
For other staff:	by Head
