## Black History Week

We started our new academic year with a focus on Black History. Each year group researched and had a creative outcome linked to a theme or significant person who has made a positive contribution to society.

## Anti-Bullying Week

We have had a number of assemblies and discussions in school as part of our PSCHE lessons to talk about bullying and its impact on others.

Our school has taken part in the 'BIG Anti-Bullying Assembly' this term which is a world-wide programme. Classes watched videos of how celebrities explain how bullying can have a long lasting effect on those who experience and even witness it. Celebrities explained how they felt when they were being bullied and what they feel is needed to take place in order to make people more aware of what to do by sharing tips on dealing with a bully and taking control of the situation.

## Harvest

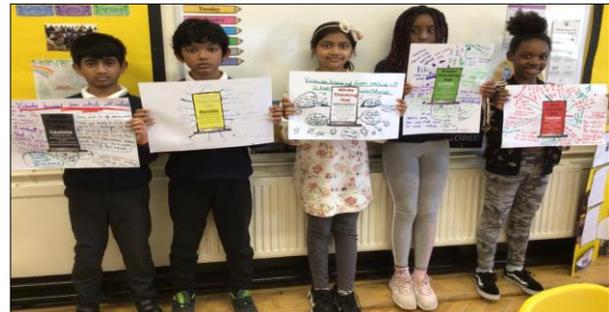

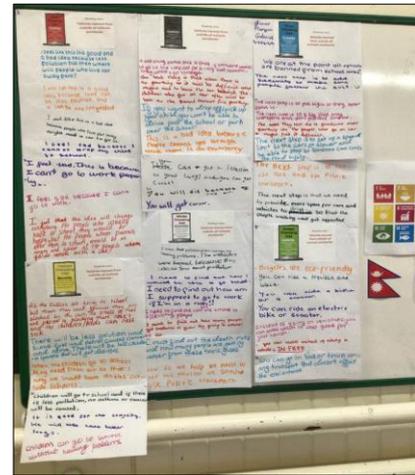

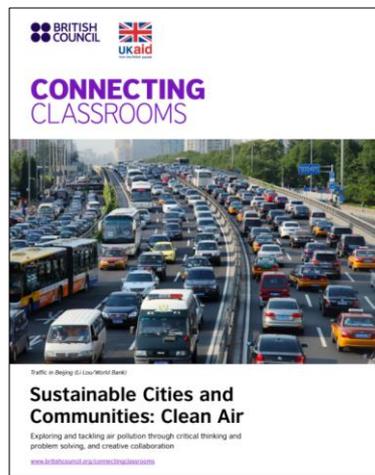

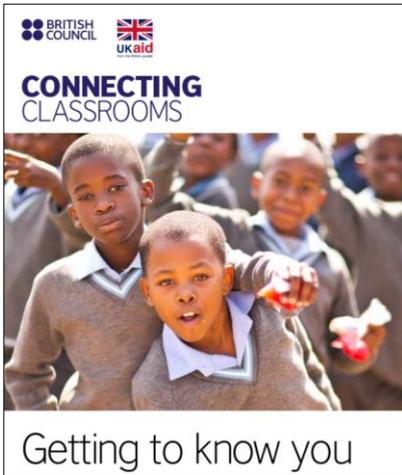

Our school has teamed up with Ambition Aspire Achieve (AAA), which is an organization in Canning Town. There is currently a Harvest Appeal for food and household goods for people in Newham as the demands on food banks have been continually increasing over the past nine months. The food banks at the Arc (Canning Town) and Abbey (Stratford) Hubs open weekly and particularly focus on supporting families and young people.

Our children and families have been collecting food over the last week for AAA who will distribute it in the local community – thank you for all of you who have helped!

**Connecting Classrooms**

This term, Lathom has started an exciting project called “Connecting Classrooms: Clean Air”. This is a project to help pupils understand the big issues that shape our world and equip them with the knowledge, skills and attitudes they need to make a positive contribution. Connecting Classrooms through Global Learning is a partnership between the British Council and the Foreign, Commonwealth and Development Office. Lathom has teamed up with a school in Nepal in order to collaborate on this project. Each year group has introduced themselves to their partner school in Nepal by telling them all about our school.

**Water Bottles**

Please ensure your child brings a water bottle to school each day.

**Visit our Website**

Please visit [www.lathom.newham.sch.uk](http://www.lathom.newham.sch.uk) to get the latest information about our school, to read our school policies and to find information about child protection, online safety and the complaints procedure.

Dates for your diary for next term:

4<sup>th</sup> November: Diwali

18<sup>th</sup> November: Parents' Evening

19<sup>th</sup> November: Guru Nanak's birthday. Children In Need day.

26<sup>th</sup> November: Year 6 'Street Safety' workshops

17<sup>th</sup> December: Last day of term: children return to school for the new academic year on 6<sup>th</sup> January 2022.

Have a safe and happy half term holiday!
