Empowering Families

Special Educational Needs Disability Information Advice Support Service Formerly Parent Partnership Services, SENDIASS Newham is a statutory service designed to support parents/carers with children and young people aged 0-25, with issues relating to their special educational needs and disability (SEND) provision. Support offered is free, impartial and confidential. SENDIASS will not share parent, carer, or young person's information with other professionals, unless we have consent or there is a safeguarding issue.

How do SENDIASS help?

- Knowledge and advice based on SEND statutory process and duties
- Advice around SEND Support and EHCP
- Telephone, email and face to face advice and support.

If you are a parent, young person or professional in need of advice or support please call: **020 3373 8385** or email sendiass@newham.gov.uk

Please be aware that **SENDIASS** is a self-referral service, therefore we require parents/carers to contact the service themselves, unless there are extenuating circumstances which prevent the parent, carer or young person from independently accessing the service.
